

MASTER KANG'S MAY DOJANG DIGEST

Dear MKMA Family,

May is a month filled with gratitude, and we're excited to celebrate two special occasions: **Teacher Appreciation Week** and **Mother's Day**.

Teacher Appreciation Week is the perfect time to recognize the dedication, hard work, and passion of our incredible instructors. Their commitment to your growth, both as martial artists and individuals, shapes the positive atmosphere at our school.

In addition, we want to give a heartfelt shoutout to all the amazing **mom**s in our dojo. As martial artists, **mothers** show strength, resilience, and love in everything they do—both at home and in the dojo.

 **CELEBRATING OUR MASTERS** 

★ **Teacher Appreciation Week** ★

This week, we honor the heart and soul of Master Kang's Martial Arts—our incredible masters who inspire, guide, and shape our students every day.

A huge thank you to all the Masters for their dedication, patience, and passion.

We appreciate all that you do—on and off the mats!

THANK YOU, MASTERS!

Don't forget to show your appreciation for the dedicated masters at MKMA during Teacher Appreciation Week!

Just like your teachers at school, our martial arts masters work tirelessly to teach valuable life skills—martial arts, leadership, and discipline.

A simple "thank you" can go a long way in recognizing their hard work and commitment.

Take a moment this week to express your gratitude—it means the world to them!

SOOPER MOMS IN ACTION

HAPPY MOTHER'S DAY!

Meet our Amazing Mom Emi!

She first got into Taekwondo after her daughter, Yuri, joined the Tiger Tots program. Now, they have a blast practicing kicks and poomsae together at home. Even though Emi didn't consider herself an athletic person, she's been enjoying Taekwondo for nearly two years—thanks to the kind guidance and support of our Masters, instructors, staff, and fellow students.

SOOPER MOMS IN ACTION

HAPPY MOTHER'S DAY!

Meet our Amazing Mom Krishna!

She joined Master Kang's Martial Arts with her two daughters, Rishma (14) and Raahi (11), to find a fun way to bond. After joining, it quickly became an important aspect of her life, giving her strength in ways she did not expect. Each class has taught us to be strong, patient, and to never give up. As someone working full-time in a financial institution, MKMA has helped me manage stress and become more focused and confident. I've even found the courage to speak up more confidently at work and in team meetings. My daughters are also growing more confident every day—raising their hands in class and believing in themselves. We're proud of our journey and excited to keep going all the way to our Black Belts!

SUMMER HYGIENE REMINDER

With summer here and our dojang full of energy and movement, it's important that we all do our part to keep the space fresh and comfortable for everyone.

We kindly ask all students to wear deodorant before class. As the temperatures rise and workouts get more intense, a little extra attention to personal hygiene goes a long way!

Let's make sure no one has to worry about unpleasant odors while training or learning. Together, we can keep the dojang smelling clean and feeling great all summer long. Thank you for helping us maintain a respectful and enjoyable environment!

REMINDERS

- Please ensure all students arrive on time to classes.
- Bow upon entering and leaving the Dojang as a sign of respect.
- Shoes are not worn on the mat- please remove them before entering the mat
- Please keep an eye out for our emails for any communication regarding events and other important updates.
- Students may volunteer and enroll in classes at Allen MKMA, provided their parents have signed the required waiver.
- Students attending special classes at MKMA must wear all necessary safety gear for their own protection.
- Parents are encouraged and welcome to watch the class. It will boost the child's confidence.

Don't
Forget!
