FATHER'S DAY TRIBUTE

CELEBRATING OUR MARTIAL ARTS DADS ❤️

At Master Kang's Martial Arts, we're proud to spotlight the incredible dads who step onto the mat alongside their children.

My name is Vishnu. I am a consulting Manager at Deloitte. I stay in Plano with my wife and two sons. I've been passionate about martial arts for almost 25 years now, and training with **MKMA** for close to 3 years. The **MKMA** journey is extra special to me as I am training with my elder son, Nivedh and look forward to my younger one joining the **dojo** soon! I'm grateful for the opportunity to be part of such a dynamic and positive community that's so committed to growth and excellence.

FATHER'S DAY TRIBUTE

This Father's Day, we celebrate you—our hardworking martial artists and role models. Thank you for inspiring us all!

We first enrolled our daughter **Sabrina** in **Master Kang's Martial Arts** when she was about five years old (she's now ten!). We were immediately impressed by the support and sense of community at **Master Kang's**. After a couple years watching her grow and have fun learning Taekwondo, I just had to enroll myself! We are now both in the **Master's Program**; **Sabrina** earned her black belt in November, and I just earned mine in May! We continue to bond over Taekwondo training and are happy and proud to be part of the **Master Kang's** family!

FATHER'S DAY TRIBUTE

Strong Fathers, Strong Families - United by Taekwondo

Jacques' Taekwondo Journey - A Family Affair

I'm Jacques, a proud father of Alex and Chloe and Director of a research program at UT Southwestern. Our Taekwondo journey began three years ago when Chloe fell in love with the Dojang during a birthday party. Inspired by her passion, I joined soon after, followed by Alex and my wife, Caroline.

Today, I'm a black belt, Chloe is a black stripe, and Caroline and Alex are blue stripes. What started as a shared activity has become a cornerstone of our family life. Taekwondo has helped me grow personally and professionally, reinforcing perseverance and focus—qualities essential in both the Dojang and my research career.

Training together has brought us closer and introduced us to an amazing community that feels like extended family.

KOREAN WORD OF THE MONTH

SUMMER HYGIENE REMINDER

With summer here and our dojang full of energy and movement, it's important that we all do our part to keep the space fresh and comfortable for everyone.

We kindly ask all students to wear deodorant before class. As the temperatures rise and workouts get more intense, a little extra attention to personal hygiene goes a long way!

Let's make sure no one has to worry about unpleasant odors while training or learning. Together, we can keep the dojang smelling clean and feeling great all summer long.

Thank you for helping us maintain a respectful and enjoyable environment!
