## KOREAN CELEBRATION

### HANGEUL DAY – OCTOBER 9

Think of it as the birthday of the Korean alphabet! 🎉

- 📝 Created by King Sejong the Great nearly 600 years ago so everyone could read and write.
- abc One of the only alphabets in the world with a known origin story.
- 🗨 Letters are shaped to match how the mouth and tongue move → logical & easy to learn.
- 🕒 Many people can learn to read basic Hangeul in just one day!
- 🌍 Recognized by UNESCO as a cultural treasure and one of humanity's greatest achievements.

✨ Hangeul Day isn't just about language—it's about celebrating creativity, inclusiveness, and the idea that knowledge belongs to everyone.

# INDIAN FESTIVALS

**Dussehra (October 2<sup>nd</sup>)**: Victory of good over evil - just as discipline helps us conquer our challenges

**Diwali (October 20th)**: Festival of Lights - Spreading positivity and finding light within ourselves.

These celebrations remind us that martial arts is not just about kicks & punches - it's about values shared across cultures: **Respect, Gratitude, Family, Perseverance.**
