WELCOMING OUR NEW MASTERS

Parents,

We are excited to welcome our exceptionally skilled masters joining us for the next two months. They bring a wealth of knowledge and expertise to MKMA. When you see them in the dojang, please take a moment to say hi!

Here's a brief bio about them

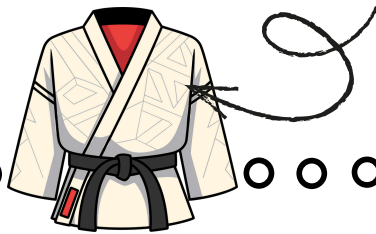

Master Yoo is a passionate martial artist with a 2nd Poom in taekwondo and a 4th Dan in Judo. He enjoys working with children and focuses on building confidence, discipline and character through martial arts. He looks forwards to sharing his skills and learning from students around the world

Master Cha began learning taekwondo at age 5 and grew from a playful beginner into a highly disciplined athlete. Through years of training, he specialized in freestyle poomsae and demonstration skills, earning placements at national competitions. He is passionate about sharing taekwondo with his students.

NEW YEAR GOAL POSTER

We're excited to introduce our New Year Goal Poster at Master Kang's Martial Arts !

This Large Poster is displayed in the dojang for all students to write one or more personal goal for the new year - it could be related to martial arts, school, home or anything you want to achieve in 2026.

Encourage your child to think about what they want to focus on and watch as they proudly add their goal to our poster. It's a great way to build motivation, confidence and personal responsibility and it's fun to see everyone's goals come together.

LEADERSHIP END-OF-YEAR RECOGNITION EVENT
