

Master Kang's Martial Arts July Newsletter

Summer Strength, Leadership & Global Connections

Happy July, Master Kang's families!

Summer is a wonderful time for students to grow both on and off the mat. While school may be out, martial arts training continues to build confidence, discipline, focus, and perseverance. We encourage all students to stay active, set personal goals, and continue practicing the skills they learn in class.

This month we celebrate the spirit of independence, friendship, and perseverance. These values are reflected not only in martial arts but also in communities around the world. As we train together, we are reminded that respect, hard work, and kindness connect people everywhere.

Thank you for being part of our martial arts family. We look forward to seeing everyone in class this month!

AROUND THE WORLD IN JULY

UNITED STATES – INDEPENDENCE DAY (JULY 4)

Americans celebrate Independence Day with parades, fireworks, family gatherings, and community events. This holiday reminds us that freedom comes with responsibility. Just as martial artists learn self-discipline and respect, we can use our freedom to make positive choices and help others.

FRANCE CELEBRATES BASTILLE DAY – JULY 14

People throughout France celebrate Bastille Day with parades, festivals, and fireworks. The holiday honors courage, unity, and the pursuit of freedom.

JAPAN – MARINE DAY (THIRD MONDAY IN JULY)

Marine Day honors the ocean and Japan's maritime heritage. It encourages appreciation for nature and the resources that support our lives. Martial artists understand the importance of respect—not only for instructors and classmates, but also for the world around us.

Martial Arts Connection

No matter where we live, the values of respect, perseverance, integrity, and leadership are understood around the world. Every time we bow before class, help a fellow student, or work hard toward a goal, we are practicing principles that unite martial artists everywhere.

QUOTE OF THE MONTH

Master Kang's Martial Arts

**"Success is the
sum of small
efforts
repeated day in
and day out."**

Keep training, keep learning, and keep striving for excellence.
