

Master Kang's Martial Arts September Newsletter

New Beginnings, New Goals!

September marks the start of our Fall Semester, and we've got a packed schedule of classes, testing dates, and events to help every student – from white belt to black belt – level up.

Small steps every day can lead to big accomplishments.

BLACK BELT SEMINAR

A Fantastic opportunity for you to share the benefits of martial arts with your friends, family and neighbor while earning some exciting awards. If a current member refers someone who then becomes a member at mkma for at least a month, both the referring and new member will get a \$100 gift card.

SEPTEMBER GOAL: SET IT. WORK FOR IT. ACHIEVE IT.

This month, we challenge every student to choose one martial arts goal.

It could be:

- *Improving a specific technique*
- *Attending classes consistently*
- *Preparing for the next belt*
- *Building confidence*
- *Practicing at home*
- *Showing greater focus and respect*

What is your September goal?

LABOR DAY: CELEBRATING HARD WORK

Labor Day reminds us to appreciate the contributions of hardworking people across America.

In martial arts, we learn that progress doesn't happen overnight.

Hard work, patience and consistency are what help us become stronger—both physically and mentally.

Labor
 **DAY**

let's
CELEBRATE
our
HARD WORK

Success is the result of small efforts repeated consistently.

CHARACTER OF THE MONTH: DISCIPLINE

Discipline means doing what needs to be done—even when you don't feel like doing it.

Every class is an opportunity to practice discipline. Showing up, listening carefully, practicing techniques and continuing after making a mistake are all ways students build this important life skill.

And the best part? These habits don't stay in the dojang—they come home and go to school with them.

THANK YOU, MKMA FAMILIES

Thank you for allowing us to be part of your child's journey.

Every class is about more than learning martial arts. We want our students to become stronger, more confident, disciplined and respectful individuals who carry these lessons with them wherever they go.

Let's make September a month of new goals, hard work and growth!

See you on the mat! 

— Master Kang Martial Arts

**THANK
YOU**
